

NOTICE TO MARINERS

50/09

**Crinan Canal Draught Restriction No 2**

WITH IMMEDIATE EFFECT

Mariners are advised that the maximum draught for transit vessels on the Crinan Canal has been **reduced** to a maximum fresh water draught **2 metres**.

There will be no ability to accept vessels with even a slightly deeper draught and Skippers are advised to treat the quoted figure as absolute.

This restriction is required to enable Engineers to carry out essential repair works between Lock 14 and Lock 13 out and will remain in force until further notice.
